INTRODUCTION TO THE WARRANTY

“LELIT” as used herein, shall mean either Breville USA or Breville Canada, as applicable to the Jurisdiction of original purchase of the product for which warranty coverage or service is being sought.

“Jurisdiction” shall mean either:

(i) the fifty United States and the District of Columbia only, not including any other U.S. territories, commonwealths, possessions or protectorates (“USA”), or

(ii) a province or territory of Canada (“Canada”, together with the USA, collectively referred to as “North America”),

in each case of Sections (i) and (ii) above, as applicable to the consumer purchasing LELIT Products (as defined below).

TERMS OF WARRANTY COVERAGE

LELIT provides the warranty coverage as further described below and limited to the terms and conditions hereof:

1. LELIT hereby provides a 12 months non-transferable product warranty from the date of purchase of the subject product (the “warranty”) against defects in product materials or workmanship. This warranty is offered on only those LELIT brand appliances (each, a “product”), purchased and used in North America by the consumer and is the sole and exclusive express warranty provided by LELIT in North America for products.

2. The warranty commences on the date of product purchase in North America by the consumer. A Proof of purchase (as defined below) may be required by LELIT from the consumer for the warranty to be effective and applicable to the Product.

3. Proof of purchase is an original or copy of the retailer sales receipt for the product purchased showing the Product model number, payment and the date of the purchase. Product registration with LELIT, while appreciated, is not required to activate any warranty and is not a substitute for a proof of purchase.

4. In the event the warranty period for a product has expired, or if a product does not qualify for warranty service, repair, replacement or reimbursement, consumers may still buy replacement parts or have products repaired by one of LELIT authorized servicers. Please contact LELIT for further information.

EFFECT OF THE WARRANTY

1. Within the warranty period, LELIT may, at its sole discretion,

(i) repair the product with new or refurbished parts,

(ii) replace the product entirely, either with a new or refurbished product at no additional charge to consumer, or

(iii) reimburse the consumer the amount of the original purchase price (a “Reimbursement”);

(iv) replace defective parts that meet the performance specifications of new parts for any applicable Product.

2. All exchanged or substituted parts and products replaced under warranty service will become the property of LELIT. Repaired or replaced Products or parts thereof will be warranted by LELIT for the balance of the original warranty period or ninety (90) days from the date of warranty service, whichever is longer.

3. In the event replacement parts or a replacement product are not available for any reason at the time of the initiation of a Product Warranty claim by consumer, LELIT may, in its sole discretion, either (i) deliver to the consumer an accommodation in the form of a reasonably similar product (an “accommodation”), or (ii) provide reimbursement. Any such accommodation or reimbursement to consumer shall be in full satisfaction of any applicable product warranty claim and of LELIT's obligation to consumer under the warranty for such applicable warranty claim. The provision of an accommodation or a reimbursement terminates any further warranty coverage for such applicable product.
