

The team behind the award winning pressure cooker brand, Fagor, introduces Zavor – their classic collection, upgraded.

Best Pressure Cooker

The **zavor**.DUO

“Doted as a **Speed Demon**, the DUO is a standout with its quick pressure release and dishwasher safe pot.”

[cited from Good Housekeeping article]

BENEFITS OF THE DUO PRESSURE COOKER

- Fast: Cooks 70% faster than other cooking methods.
- Safe: Advanced safety system prevents opening while cooking.
- Easy: Load ingredients, lock lid and begin cooking.
- Healthy: Retain important water-soluble vitamins and minerals.

FEATURES OF THE DUO PRESSURE COOKER

Cooks on all domestic stovetops: gas, electric, ceramic or induction.

Triple safety mechanism prevents excess pressure build-up.

Pressure Regulator provides HIGH pressure at 15psi and LOW pressure at 8psi.

Pressure Indicator will rise once pressure has been built.

Self Locking handle will not open until all pressure is released.

Thermo Heat Conductive base for quick and even heat distribution.

Lock and Unlock icons allow you to easily open and close the lid.

WHAT PEOPLE ARE SAYING ABOUT THE DUO

“Busy people worship the pressure cooker, we use a Duo.”

- **Family Circle**

“For the speedier version of slow cooking, we like [the] easy-to-use pressure cooker.”

- **Cooking Light**
