RED BEANS, RICE AND ANDOUILLE SAUSAGE

Yield: 4 servings

A traditional recipe from Louisiana, great as an entrée or as a side dish.

2 tablespoons vegetable oil
8 ounces Andouille sausage links
1 cup yellow onion, finely diced
1 small red bell pepper, cored, seeded, and finely chopped
4 cloves garlic, minced
2 bay leaves
2 tablespoons tomato paste
1 teaspoon dried thyme
1 tablespoon hot paprika
1 cup chicken broth
Kosher salt and fresh ground pepper
2 (15 ounce) cans red kidney beans, drained and rinsed
2 cups cooked long-grain white rice
2 tablespoons fresh parsley leaves, chopped

1. ***To prepare the sausage:*** To a dutch oven set over medium heat, add oil. Once oil is shimmering and hot add sausage link and cook until golden brown on all sides, about 5 minutes. Using tongs, remove sausages and transfer to a cutting board. Allow sausages to cool slightly, then using a chef's knife, slice sausage into 1/4" slices.
2. To the preheated dutch oven add onion, red bell pepper and sauté until tender, about 6 minutes. Add the garlic, cook until fragrant, about 1 minute. Add the bay leaves, tomato paste, thyme, paprika, chicken broth and season with salt, stir to combine. Add beans, sliced sausage and bring to a simmer. Cover and cook 5 minutes, to allow flavors to meld.
3. Taste and adjust seasoning with salt and black pepper, remove bay leaves. Serve over cooked long grain rice, garnished with parsley.

Recipe variations:

- If unable to find andouille sausage, replace with any smoked pork sausage.
- Turn leftovers into a delicious stew by adding chicken stock and leftover rice and allowing to simmer until flavors meld.

SHRIMP ETOUFFEE

Yield: 4 servings

The definition of etouffee is “smothered”, served over rice, it’s a perfect comforting meal.

4 tablespoons unsalted butter
4 tablespoons all-purpose flour
1 medium yellow onion, small dice
2 celery ribs, small dice
1 green bell pepper, cored, seeded, small dice
1 tablespoon garlic, finely chopped
1 bay leaf
1 1/2 teaspoons dried thyme
1/2 teaspoon paprika
1 teaspoon dried oregano
1/4 teaspoon cayenne pepper
Kosher salt and freshly ground black pepper
2 cups seafood stock
1 pound shrimp, peeled and deveined
Long-grain white rice for serving
1/4 cup green onions, chopped, reserved for garnish

1. **To make roux:** To a dutch oven set over medium heat add the butter. Once butter has melted, and foaming has subsided add the flour and whisk to remove any lumps. Using a wooden spoon, carefully monitor the butter and flour mixture, or roux, until it turns a dark deep brown, about 15 to 25 minutes.

2. **To make etouffee:** To the roux, add the onion, celery, bell pepper and cook until tender 8 to 10 minutes. Add the garlic and sauté until fragrant, about 1 minute. Add bay leaf, thyme, paprika, oregano and cayenne pepper, stir to combine and season with salt and pepper.

3. To the dutch oven add the seafood stock, increase the heat, and bring the mixture to a simmer until thickened, about 10 minutes. Add the shrimp until just cooked through, about 5 minutes. Taste and adjust seasoning with salt and pepper.

4. **To serve:** To an individual serving bowl place a scoop of rice, top with a ladle full of etouffee and garnish with green onions, serve immediately.

Recipe variations:

- Adding other types of seafood is a real treat, try crawfish, crab or langoustines.
